LATINXS IN SUSTAINABILITY | AN [ACQUAZUL](#) PROJECT

NEWSLETTER | DECEMBER 2021

Thank you all for being a part of this wonderful community. We are excited to continue building and growing the organization. If you have comments, suggestions, or ideas on what you would like to see in 2022, please send those over to

latinxsinsustainability@latinoverde.org.

Upcoming December Event

Latinxs In Sustainability

END OF YEAR MIXER

MINGLE WITH LATINX STUDENTS AND PROFESSIONALS IN SUSTAINABILITY

Thursday, December 16th 6:30 - 7:30PM ET via Zoom

Please join Latinxs in Sustainability this Thursday, December 16th for an evening of networking and new connections. Our goal is to establish and facilitate pathways for underrepresented and under-resourced Latinx communities to connect in an effort to diversify the sustainability workforce. Zoom details will be sent 48 hours before the event. Register [here](#).

Latinxs in the Media Highlight

“I think good, inclusive mentorship is having someone who has a profound understanding of your challenges.” LIS founder, Cristina Garcia, was recently featured on Grist’s Fix to discuss inclusive mentorship. [Read more here](#) to learn why mentorship is key to creating inclusive climate work.

Have you been in the media? We want to elevate Latinx professionals in the sustainability field being highlighted! Elevating one of us, collectively elevates all of us!

News from Our Partners

APPLICATIONS ARE OPEN!

CELI 2022 FELLOWSHIP

Washington DC | California's Bay Area | Chicago | New York City
National PT/MT | National CT/MT

CELI Clean Energy Leadership Institute

Applications due January 7th, 2022!
www.cleanenergyleaders.org/2022-fellowship

Apply today for the 2022 [Clean Energy Leadership Institute \(CELI\) Fellowship](http://www.cleanenergyleaders.org/2022-fellowship)! CELI is a 501(c)(3) nonprofit dedicated to developing a new kind of energy leadership. Through its growing communities in Washington, D.C, California's Bay Area, Chicago, New York City, and now National Cohorts, CELI is working to create a national institution to accelerate innovation, community, energy justice, and leadership across the clean energy ecosystem.

Built for working professionals, CELI's fellowship is held weekly for two hours in the evening and is taught by influential thought leaders and expert practitioners in the field. Fellows are challenged to think critically about current energy policy and market structures, identify existing barriers to clean energy deployment and innovation and formulate new solutions to ensure equity is central to the transition moving forward.

Applications are due January 7, 2022! Please use the code LIS to waive the application fee. Applicants that use this code and are accepted may also receive partial or full scholarships.

Highlighting Trailblazers Event

We'll start 2022 with a virtual event dedicated to highlighting trailblazers who are leading the way and giving back to their community. Stay tuned for the announcement!

Do you know someone who should be invited to speak at this event?

Send us that information at latinxsinsustainability@latinoverde.org!

2021 has been a hectic year for all of us, but we are grateful to have spent this year raising awareness on important issues through our series “The Intersection of Climate and Social Justice” and “Equity in the Latinx Community”. This series included seven events where we elevated the voices of 25 Latinx professionals in the field! We are excited to continue our work next year with you and hope to bring new programming to further elevate the Latinx community. Stay tuned next year for our webinars, mentorship program, and a Spring career fair!
